28 January 2019

Dear Parent/Carer

You may well be aware that unfortunately inclement weather has been forecasted for this week. We will endeavour to keep the Academy open but, to ensure that we keep students and staff safe it may be the case that we have to close the site – a decision that we will not take lightly

If the Academy closes before the start of the school day, notification will be on the Local Authority school closure list: http://webapps.stoke.gov.uk/schoolclosures/Public_view.aspx and the Academy website.

If we do have to close the Academy during the school day, we will let you know via email/text message. If we have severe weather, please be mindful of this and keep channels of communication open so that we can inform you of any changes via text message and email alerts.

Once you receive the instruction regarding school closure, we will ask for students to return to their form class where Form Tutors will check that each child has permission to go home. For this reason, please indicate your permission for your child to return home through their A2L Planner. Any child without permission will be cared for by Academy staff until we receive notification from you that they can go home or, they are collected from the Academy.

Let's hope that this snowfall misses us and we can continue as normal.

Any questions please do not hesitate to contact the school office.

Adele Mills
Senior Executive Leader of the City Learning Trust and Associate Head teacher at Trentham Academy
