Inspiring Outstanding Achievement

Dear Parents/Carers,

Year 11 have now completed their mock examinations; we are delighted with the positive approach the vast majority of students have had to these examinations and we thank you for your support with this.

On Tuesday 6 December, your child will receive their mock examination results during tutor time. We will also send home your child's mock examination grades, along with a prediction for each subject. Staff have considered previous cohorts when making these predictions to ensure these are informed decisions about what final grade could be achieved by students, given their current attitude to learning and depth of understanding. We hope you will join us for our face-to-face parents' evening, on Thursday 8 December, where you and your child will have the opportunity to discuss your child's progress with their subject teachers.

Appointments will be offered on Thursday 8 December from 4pm to 7pm and can be booked using our Parents' Evening Booking system at this website address <https://trenthamacademy.schoolcloud.co.uk>; I have attached full details about how to do this which includes this video guide <https://vimeo.com/473882995> The website will operate on a desktop, mobile or tablet device. Appointments are for 5 minutes; we ask that for any concerns you have that would take longer than this to discuss, you arrange a separate meeting to ensure all parents/carers are able to see the subject staff on time.

Where your child has more than one teacher for a subject, such as Combined Science or English for example, the booking system will only allow you to book with one teacher. This teacher will have the information for all strands of that subject to share with you.

The system will be open for bookings from tomorrow. Please make your appointments by Monday 5 December. If you have any problems doing this, please contact the main office for support. If any matters arise from parents' evening that you would like to discuss with the senior team, please call the main office to book a further appointment.

Yours sincerely,

Mrs E Wagg  
Deputy Headteacher
