Trentham Academy

iPad 1:1 Adoption Programme 2026

The Trentham Academy 1:1 iPad Scheme

At Trentham Academy, we are dedicated to preparing our students for a rapidly evolving future. With 90% of modern careers now requiring digital proficiency, we have fully integrated technology into our curriculum to ensure our students have the best possible start in life.

Through our **1:1 iPad Programme**, every student has access to a personal device to use in lessons, for independent study, and at home, creating a seamless learning experience both inside and outside the classroom.

Year 10 Students (24-Month Renewal)

At the end of Year 9, you have the opportunity to join our renewal scheme, providing your child with the latest compatible iPad for their final two years of study (Year 10 and 11).

- **Included:** Latest iPad model, screen protector, choice of case (Standard or Keyboard), 2 years hardware/insurance cover, and 2-year Jamf management licence.
- **Payment:** These are rent-to-own agreements available via monthly instalments or a single payment. *Specific pricing will be confirmed at the time of renewal.*

Key Information for All Parents

- **Insurance:** All bundles include coverage for accidental damage and theft (subject to a maximum **£50 excess** per claim).
- **Safeguarding & Ownership:** While you may pay in full upfront, all devices remain under the school's management system for the duration of the student's time at the Academy to ensure a safe, focused learning environment.

What is a Management System?

Our iPads are managed in the academy by a system called JAMF. This enables our IT Team to manage what our students can access during the academy day. This system ensures students remain focused on their studies by allowing teachers to temporarily restrict non-educational apps (such as social media and messaging), share relevant digital resources instantly. These management features are designed strictly to support classroom productivity and digital safety, helping your child make the most of their technology in a safeguarded, digital distraction-free environment.

Bring Your Own Device (BYOD)

Your child can bring their own iPad, if you already have one at home. If you provide your own iPad, we require it to be of 9th Generation or later, so that newer software features are accessible for learning. This will ensure that the device will be up-to-speed for the next 3 years, and enable our teachers to use new software features with all students.

The iPad will not be insured whilst at school. We recommend that you take out your own insurance.

Important Notes:

- Your child's iPad will need to be wiped in order to join the school's management system; this is to ensure that the iPad and your child is safeguarded whilst at school.
- There is also small a charge for bringing in your own device, this is to cover the cost of the school's management system. The cost is £30 and covers all 5 years for that device.

Can you please complete the following Microsoft Form if you will be bringing in your own iPad to the academy: Trentham Academy iPad Scheme 2026 – Fill in form

---

Mandatory Security Deposit

To participate in the easy4U renting scheme, a **refundable security deposit, equivalent to 3 months payment** is required for all accounts.

	Bundle 1 (Standard)	Bundle 2 (Keyboard)
Deposit	3 x £16.10 = £48.30	3 x £18.10 = £54.30

At the end of your initial 3-year contract, you may choose to:

A. Request the deposit is returned to you in full, as you keep your existing iPad into Years 10 & 11.
B. Carry the deposit over to cover the renewal for a new device, when transitioning to the Year 10 scheme.

How to Join

1. **Register Online:** Visit: easy4u.school/order
2. **Enter your login code**

	Bundle 1 (Standard)	Bundle 2 (Keyboard)
Code	2XBS6GZ	B64BSQP

3. **BYOD Students:** Please complete: Trentham Academy iPad Scheme 2026 – Fill in form
4. **Deadline:** The final date to sign up is **Thursday 2nd July 2026**.
